Now treated with DWR for inclement conditions

D04F402 Enviowear® Fleece Balaclava

Color: foliage. Also available in coyote brown or black. One Size.

D04F400 Enviowear® Fleece Watch Cap

Color: foliage. Also available in coyote brown or black. Sizes: S/M-L/XL

D04F401 Enviowear® Fleece Scarf

Color: foliage. One Size.

United's Enviowear® ECWCS fleece accessories are constructed of double-sided 200 weight eco-friendly polar fleece made with Repreve® recycled fiber.

United's balaclava has a draw-cord with cord lock for a snug fit. The contoured extended length provides extra coverage below the neck.

The United watch cap covers ears for additional warmth.

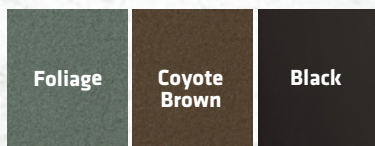

United's fleece scarf can be used when added protection is needed for the head and face.

Berry Compliant
