Color: MultiCam®

Sizes: XS-3XL

United's 3-piece F/R rain suit is constructed from 70 denier flame resistant nylon ripstop fabric. The fabric is wind and water resistant for protection during inclement weather.

The jacket has an adjustable hood with rain visor and elastic at the wrists. There is a draw cord around the waist.

The pants have an elastic waist band with zippers at the ankles and includes 2 cargo pockets.

Both garments fold into a weatherproof pouch with VELCRO® closures for storage.
